FAA-2002-134386

December 16, 2002

Federal Aviation Administration
U.S Department of Transportation Dockets,
Room Plaza 401, 400 Seventh Street SW.,
Washington, DC 20590-0001

To Whom It May Concern:

FAA # 2002-13438 I think that the (NPRM) for Protective Breathing Equipment is a outstanding rule but I think that Portable Breathing Equipment should be added just if an emergency occur on the flight deck. I strongly agree with the rule but I really believe that the Portable Breathing Equipment being added would be of good use.

Thank you,

Ronald E. Howard
